# More At Sea™ – everything you need to know

## What benefits does More At Sea™ offer?

With **More At Sea™**, we make pricing easy with two standard price levels per category:

- **The base fare**, which includes a variety of included services like unrivalled dining experiences, award-winning entertainment and modern leisure facilities.
- **The possibility to upgrade** the cruise experience at a fixed rate (depending on the length of the cruise and stateroom category) to **More At Sea™**.

## Which dining options are always included?

Our guests can choose between a wide variety of complimentary dining options including up to three main dining rooms, buffet restaurants with live-cooking stations, 24-hour restaurants and more.

## Do all guests in the stateroom including children have the same upgrade?

If guests 1 and 2 opt for the **More At Sea™** programme, the other adult guests travelling in the same stateroom will automatically be opted-in as well and the upcharge applies. Additional adult guests in the same stateroom receive the Beverage and Wi-Fi Package only for a reduced upcharge price. Additional children in the same stateroom don't have to pay for the upgrade but only receive the Wi-Fi Package.

## Depending on their age and stateroom occupancy, which packages exactly do the guests receive?

Only the first guest in the stateroom receives the shore excursion discount. Guests 1 and 2 receive the **More At Sea™** Beverage Package (or soda package if they are minors), Speciality Dining Package and Wi-Fi Package. Additional adult guests travelling in the same stateroom receive the **More At Sea™** Beverage Package and Wi-Fi Package. Additional children in the same stateroom receive the Wi-Fi Package only. Of course, all guests can still dine in our Speciality Restaurants, paying a cover charge on board (US\$ 40 to 75 per person per restaurant, subject to availability). Children do not need to pay the cover charge if ordering from the free kids menu and they are charged a reduced cover charge if ordering from the regular menu. For children sailing as guests 3 to 8 the soda package can be added for USD \$ 12,50 per person per day.

## What is the More At Sea™ offer for solo travellers?

Solo guests travelling in Studios and standard staterooms on a single-occupancy basis can also upgrade their holiday with **More At Sea™**. In this case, the offer is tailored to one guest and can

be added for the same price.

## Does the More At Sea™ offer have to be booked when setting up the initial reservation or can it be added at a later stage?

You can upgrade your customers' booking up to 24 hours prior to sailing.

## What does the booking process with More At Sea™ look like?

When shopping for the best available fare, the first price coming up in all reservation systems is the base fare (in the agent booking engine, the best fare comes up automatically). By choosing the promo code NCLATSEA (booking guide available on Marketing Headquarters), you select the **More At Sea™** price level and your customers get the extras applied to their booking.

## Do I receive commission on the More At Sea™ upgrade?

Yes, the upgrade fares are fully commissionable.

## What happens to bookings created before 1 October 2024?

Existing reservations for sailings as of 1 January 2025 booked before 1 October 2024 which have been upgraded to Free at Sea continue to keep their original Dining and Wi-Fi Packages but will benefit from the **More At Sea™** Beverage Package (including more premium beverages) at no additional cost. No changes have been made to the Shore Excursion Discounts and 3<sup>rd</sup> and 4<sup>th</sup> person offer, sailing for taxes only. If guests on those reservations opt to add an upgrade package to their cruise until 24 hours prior to sailing, this will still be made under the old Free at Sea package conditions and prices, however, guests will also benefit from upgraded drinks.
